

Private Education

The Basic Beginner, Intermediate, and Foundation courses are our inhouse programs designed for students who are not able to attend regular school due to any reason or are having study gaps in their schooling journey . The courses are designed to provide the foundation required to start Cambridge O Levels which is equivalent to 10th grade.

Basic Beginner 1 Year

The Basic Beginner level is for students who have completed any grade below grade 5. Subjects that will be covered at the Basic Beginner level are Maths & English

Intermediate 1 Year

The Intermediate level is for students who have completed grades between 6 to 7. Subjects that will be covered at the Intermediate level are: Math, English, Science, Computer

Foundation 1 Year

The Foundation level is for students who have completed grades between 8 to 9. Subjects that will be covered at the Intermediate level are: Math, English, Science, Computer, Commerce

Assessment & Progression

All assesments and evaluations till the foundation level are conducted by AGI faculties and the progression to the next level will be based on the performance of the student. After successfully completing the foundation level, students can progress to Cambridge O Levels.
