Private Education

Our Private Education Programs are specially designed for students who are unable to attend regular school or have gaps in their academic journey.

These in-house courses help students rebuild their foundation and prepare for Cambridge IGCSE / O Levels (Year 10–11 equivalent).

EARLY YEARS FOUNDATION STAGE (EYFS)

Duration: 1 Year

Board: UK National Curriculum

The EYFS program focuses on the overall development of young learners up to age 6. It builds essential skills through play-based learning and nurturing environments

Key Areas :

- ▶ Communication & Language
- ▶ Physical Development
- ▶ Personal, Social & Emotional Development
- ▶ Literacy & Numeracy Basics

KEY STAGE 1 (Basic Beginner)

Duration : 1 Year

Board : UK National Curriculum of England

KS1 covers Year 1 & Year 2, introducing structured learning and building strong academic basics.

Subjects :

- English
- Mathematics
- Science
- Computing

KEY STAGE 2 (Foundation)

Duration : 1 Year

Board : UK National Curriculum of England

KS2 (Years 3–6) strengthens core knowledge and prepares students for higher-level learning.

Subjects :

- English
- Mathematics
- Science
- Computing

KEY STAGE 3 (Intermediate)

Duration : 1 Year

Board : UK National Curriculum of England

KS3 (Years 7–9) builds a strong academic base and prepares students for GCSE / O Level pathways.

Subjects:

- English
- Mathematics
- Science
- Computing
- Commerce
